Confessions of an Rx Drug Pusher is an exploration into the dark side of mental illness. Gwen Olsen is brave enough and angry enough to welcome the reader into her world of emotional trauma caused by drugs, alcohol and genetics. As a former sales representative in the pharmaceutical industry for several years, Olsen learned firsthand how an unprecedented number of lethal drugs are unleashed in the United States market, but her most heartrending education into the dangers of antidepressants would come as a victim and ultimately, as a survivor. Rigorously researched and documented, Confessions of an Rx Drug Pusher is a moving human drama that shares one woman's unforgettable journey of faith, forgiveness, and healing.
